Risk Assessment No: Premises

Activity Assessed	Nannerch School Covid-19 operational assessment 2022	Date	17 th February 2022
Assessment Completed By	Janet Meaden Headteacher	Person(s) Consulted	Compliance Education

Persons Exposed	Employees	<input checked="" type="checkbox"/>	Contractor	<input checked="" type="checkbox"/>	Young Person	<input checked="" type="checkbox"/>	Expectant Mother	<input checked="" type="checkbox"/>	Visitors and/or Public	<input checked="" type="checkbox"/>	Trespassers	<input checked="" type="checkbox"/>
Frequency of Exposure	Continually	<input type="checkbox"/>	Hourly	<input type="checkbox"/>	Daily	<input checked="" type="checkbox"/>	Weekly	<input type="checkbox"/>	Monthly	<input type="checkbox"/>	Yearly	<input type="checkbox"/>
Duration of Exposure	Less than 1hr	<input type="checkbox"/>	1-2 hrs	<input type="checkbox"/>	3-4 hrs	<input type="checkbox"/>	5-6 hrs	<input type="checkbox"/>	7-8 hrs	<input type="checkbox"/>	More than 8 hrs	<input checked="" type="checkbox"/>

Probability - (5=Very Likely, 4=Likely, 3= Quite Possible, 2= Possible, 1= Unlikely)
 Severity - (5=Catastrophic, 4=Major, 3=Moderate, 2=Minor, 1=Insignificant)

0-8 - Low risk No Action Required.
 9-15 - Medium risk Ensure adequate controls are in use.
 16-25 - High Risk Stop operation and implement adequate control measures

No	Hazard	Initial			Existing Control Measures	Residual			Additional Controls
		Severity	Probability	Risk		Severity	Probability	Risk	
1	Transmission of Covid 19 due to close contact Low	4	2	8	<ul style="list-style-type: none"> Reduce close interactions between staff and learners where possible Encourage physical distancing in indoor communal areas and outside of the classroom, such as corridors, recognising that this may not be possible with younger children or with learners that require one to one support Testing available for close contacts of confirmed positive cases. Fully Vaccinated Adults and Children aged 5 to 17 who are identified as a close contact are advised to take a daily LFD test for 7 days. Adults not fully vaccinated and identified as a close contact shall isolate as per Welsh Government Guidance. Face coverings continue to be recommended for adults on any school transport on visits etc School will follow any changes made to Welsh Government Guidance relating to the 	4	1	4

					securely placed away from the building. <ul style="list-style-type: none"> The school continues to keep good records of which pupils attend lessons / clubs / activities / home-school transport, etc. to help identify close contacts in the event of an outbreak. All training given to staff in ways to minimise the risk of contracting or spreading Covid-19 infection is recorded The school's Covid-Secure procedures are clearly communicated to all staff (including peripatetic staff, cover staff), pupils, parents, visitors and contractors. Staff are consulted on the risk assessment via the Staff email. Staff therefore have a good insight into how the daily tasks and activities happen in practice, and what alternative or additional controls might be necessary. The site-specific risk assessment is published on the school's website. It is kept under regular review, and updated as necessary Staff briefings will follow a blended approach with some briefing's online and other meetings in well ventilated spaces that allow for physical distancing. Letters will be sent home via email where possible. The Head and SLT undertake regular monitoring, to confirm that all the controls necessary to minimise the risk of contracting or spreading Covid-19 infection are effective and being implemented at all times.

6	Staff and students displaying symptoms	4	4	16	<ul style="list-style-type: none"> Head/SLT to be notified. Staff and Students displaying symptoms of Coronavirus will be sent home and asked to follow TTP system. https://gov.wales/test-trace-protect-html Where necessary the infected person will be moved to a designated isolation room whilst arrangements are made for the person to be collected and taken home. A dedicated toilet has been made available. In a case of a positive result, these areas will be deep cleaned / fogged before use. Suitable PPE is available for staff where social distancing cannot be maintained. Staff and Students who have been in contact with the ill person will wash their hands thoroughly for 20 seconds. If a pupil is sent home with a suspected case their work area will be wiped down, with PPE available for staff. Where pupils cannot attend site distance learning will be available via the GwE model If staff member or student develops symptoms off site they must not attend site and will follow local government guidance for isolation / testing. <p>Positive Result</p> <ul style="list-style-type: none"> Isolate in accordance with TTP Guidance You should take a lateral flow test (LFT) on day 5 of your self-isolation period and a second lateral flow test the next day (you should aim to take it 12-24 hours after your first test). You can leave self-isolation after 5 full days (on day 6 of your self-isolation period) if you test positive you should remain in self-isolation until you can return 2 consecutive negative LFT tests, or until day 	4	2	8

		Severity	Probability	Risk		Severity	Probability	Risk	
9	Cleaning	4	3	12	<ul style="list-style-type: none"> A high standard of cleaning must be maintained Additional cleaning should remain where required PPE is provided for cleaning staff Staff are trained in the safe use of PPE and COSHH Cleaners will maintain physical distancing at all times whilst on site The school is cleaned with normal household disinfectant Any contaminated (suspected/confirmed) waste should be double bagged and stored for 72 hours before disposal All spillages of blood, faeces, saliva, vomit, nasal and eye discharges should be cleaned up immediately (always wear PPE). Cleaning staff are aware of Covid requirements. 	4	1	4	
10	Group Activities/ Lessons	4	4	16	<ul style="list-style-type: none"> Physical Education should take place outside where possible. Where pupils are likely to be in close contact efforts will be made to limit this contact All communal areas in use should remain well ventilated Activities such as singing should be carried out following latest government guidance/ risk assessment Pupils will attend in PE kit for their designated PE day, this will eliminate the need for changing rooms Water bottles or other refreshment containers should not be shared. Participants advised to bring their own water bottle or refreshment container, in a labelled or highly distinguishable container. 	4	2	8
